Arthur Younger (R., Calif.) concerning the arms shipment which was seen in bexcars in Brewnsville, Texas. It developed that Younger had received the form letter from Mr. Charles R. Rusky of Chicago, Illinois (See Journal of 10 May 1962) Mr. Kenneth Sprankle, House Appropriations Committee staff, had proviously given us a copy of this letter. Pellegrino said he had talked with the International Arms Company and on the basis of that conversation was advising Younger that the Army had looked into the matter with INTERARMCO and had been advised that this was a transaction of a private organization and that the munitions involved had never been stored in a Government warehouse. I suggested to Pellegrino that he add in his letter that the Munitons Control Branch of State Department was aware of this shipment and had given its approval to the transaction and appropriate licenses had been issued. Pellegrino will include this in the Army's reply to Younger. Left with Fred Mesmer, Senate immigration	Department of the Army, concerning an inquiry the Army has received from Representative J.
